*\*There is one restart and one tag, both easy to hear I think and both facing front.*

*The restart happens after the 2nd complete wall where you start facing front and dance up until count 27, but this time stepping onto Left foot for count 27 - you start again facing front.*

*After 2 more complete walls again facing front, add the tag - easy!*

*Another pretty song and another damn waltz line dance (like we need more!) - just can't help myself when I hear a pretty waltz, I just gotta' get moving! - call me a waltzing fool!!!*

*Anyway pretty sure this will be my last so hope you enjoy it. It's from a CD titled After All.*
